

**A request from the Lutheran Campus Ministry Committee
of the South Carolina Synod**

You have spent 18 years nurturing their faith and guiding them in right pathways. You have been with them as they took their first communion and affirmed their faith. Now, as they move off to college, make sure that someone will be looking out for them and supporting them in the next phase of their pilgrimage.

Lutheran Campus Ministry has staffed ministries at many colleges and universities; partner congregations serve others. If you will share with us the names of your members attending college, we will send the referral to the appropriate pastors. All names will be entered into a SC Synod database for notices and invitations to student gatherings.

Provide as much information as you can. But if all you have is name, college attending and hometown, we will do our best to locate the student. Why not complete what you know now and take a second copy of this sheet home with you to mail in later. If necessary, use the back of the sheet.
