About Camp Kinard
 "A ministry of hospitality..." Their motto says it all! "The center provides a place apart to experience growth and renewal in an outdoor setting of trees, rolling hills, lakes, trails, swimming pool, picnic shelters, recreational areas and campgrounds. Here, people can truly be refreshed in body, mind, and spirit."

The center has a variety of accommodations; however, we will be using the cottages, which have 16 bunk beds in each of the buildings clustered around a large swimming pool. The Main Conference Building, with dining room that will comfortably seat 150 people at tables, is between the Cottage and Lodge 'Villages'. If you would like a different accommodation, you should contact the Kinard Center directly and make those arrangements.
